List of Yets

While progressing through the Consequences Inventory, we might hear others share about consequences they've faced that have not happened to us. Not *yet*, that is. For whatever reason (perhaps we just simply haven't been caught, *yet*), we have not lost everything and may still hold on to a few things of value. If you are beginning your recovery and find yourself thinking that there are still more possible consequences if nothing changes, it is wise to list them here:
